TRADING OVER THE CHRISTMAS / NEW YEAR PERIOD

The Rotary Community Market will not operate on Sunday 25 December (Christmas Day). The Market will operate on Sunday 1 January (New Year's Day) and there will be no charge to stall holders. We encourage your attendance.

RETURN TO THE KIEWA STREET MARKET

Albury City Council advise that construction of the new multi-deck carpark in the Kiewa Street will begin October 2016 with completion about Easter 2017. The new Kiewa Street Market will be at ground level and be bigger and more visible than the Wilson Street Market. Customers and stall holders will have plenty of parking on the upper floors.

LOYALTY / AWARDS SYSTEM

Rotary is considering the introduction of a loyalty / awards system for stall holders. One proposal is payment in advance for 4 markets (weekly or fortnightly) makes the 5th market free. Rotary supervisors will be asking stall holder opinions about the loyalty system during markets on 2nd, 9th, and 16th October. The idea behind the loyalty system is to reduce last minute non-attendance cancellations and make the Market better for all concerned.

STALL HOLDER PARKING

The availability of parking at ground level encourages customers to attend the Market. Stall holders should park at roof level.

MARKET HOURS

Market hours are 8.00am to 12.30pm with setting up on ground and first floor levels not to begin until 7.30am. Insurance and safety issues require that there are no traffic movements in the Market Area before 12.30pm.

Rotary thanks stall holders for adhering to these requirements.

INSURANCE

Rotary insurance at the Market does not include public liability insurance for stall holders. Stall holders should organise their own public liability insurance.

MARKET WEBSITE

Rotary is committed to improving and promoting the Market. You may have seen Prime and WIN television advertisements for the market. You can also visit your market website at alburywodongacommunitymarket.com.au. The website has been developed to promote the Market with residents and visitors to the region.

THANK YOU STALL HOLDERS

Rotary thanks all stall holders for their on-going support of the Community Market in 2016.

Rotary uses all funds raised from site fees and entry donations to support various charities.
