RETURN TO THE KIEWA STREET SITE.

Albury City has recently advised that construction of the new car-park in Kiewa Street will commence on January 10 with completion in mid-2017. The new site will be much better than the present one especially in relation to customer parking.

TRADING OVER CHRISTMAS / NEW YEAR PERIOD.

As already advised the Rotary Community Market will not operate on Christmas Day but it will operate on New Year's Day. The good news is that sites will be free. We encourage your attendance.

LOYALTY / AWARDS SYSTEM

The loyalty system mentioned in the last newsletter is still being considered, taking into account the feedback from stallholders.

FACEBOOK PAGE

The market now has a Facebook page called ROTARY ALBURY WODONGA COMMUNITY MARKET. Stallholders are encouraged to have a look at, like, and use our Facebook page to advertise their goods. It is a great way to obtain some free exposure for your stall.

INSURANCE

Rotary insurance for the market does not include public liability insurance for stall holders. Stall holders should organise their own public liability insurance.

RULES AND REGULATIONS

Stallholders need to comply with any relevant laws, statutes, regulations and rules that apply. A current example is egg selling: Anyone selling eggs must be registered with the NSW Food Authority (1300 552 406) and their eggs must be stamped with the stamp provided by the Authority.

MARKET ETIQUETTE

Sadly, there have been some instances recently of stallholders using grossly inappropriate language at the market. This will not be tolerated. We would like the market to be a friendly happy place that people are pleased to visit.
