

KIEWA STREET MARKET

April 2108 Update

A Rotary Community Project of the Rotary Clubs of Belvoir-Wodonga and Albury North

Where has the time gone? This weekend (Easter Sunday) its 9 weeks since the first market at the new Kiewa Street site.

While it took a lot of work on the part of all the Rotarians to make the move happen as we look forward we see there is much more to be done.

As expected there has been lots of “issues” to be thought through. Some were anticipated, some not.

The hard work is from now on. Making the market succeed and grow is our primary concern. Organising a variety of entertainment every week and regular events that attract more people for the benefit of you, the stallholders.

Some of the issues, such as the time we can start the market relate to our occupation agreement with council. Others such as traffic and pedestrian movement, site mix etc etc. are management issues that need to be addressed.

We can assure you that every endeavour is being made to make the market work best for us all.

To help, we see regular communication with you the stallholder being critically important for the future of the market.

We therefore invite all stallholders to attend a short meeting after the market next weekend (Sunday 8th April) at about 1.00pm.
